

Annual Report 2023-24

"In the symphony of life, Parivartan is the conductor urging us to play new melodies, reminding us that change is not just inevitable, but a symphony of growth".

It is with great pleasure and pride that we present the Annual Report of our school, Open Sky, an institution that has been dedicated to excellence since its inception in 2007. Over the years, Open Sky has overcome numerous challenges, remaining steadfast in its commitment to providing a safe, healthy, and intellectually stimulating environment for our students.

Our innovative, theme-based curricula engage students deeply, fostering holistic development. We prioritize qualitative education at affordable fee structure, empowering students to face challenges with confidence. With a harmonious blend of community support and forward-thinking approaches, we empower students to soar towards their aspirations.

The academic year 2022-23 was a defining moment for Open Sky, as our exceptional performance in the CBSE board examinations solidified our position as a beacon of academic excellence. With a flawless 100% pass rate, our students not only excelled but soared beyond expectations. Amongst them, 23 showcased mastery in Hindi, while 17 demonstrated their prowess in IT, setting new benchmarks for achievement. Moreover, an impressive 21 students achieved distinctions, a testament to our unwavering commitment to nurturing talent and fostering holistic development. This outstanding success is a reflection of our school's relentless pursuit of excellence and our steadfast dedication to preparing students for success in a rapidly evolving world. As we continue to embrace the National Education Policy (NEP) and innovate with initiatives like holistic report cards, Open Sky remains at the forefront of educational excellence, shaping the leaders and innovators of tomorrow.

"In a world where knowledge is abundant, it's your skills that sets you apart."

At Open Sky, we believe in providing a well-rounded education that goes beyond academics. We have integrated skill development into our curriculum, introducing vocational subjects such as Financial Literacy, herbal heritage, embroidery, carpentry and Coding. These initiatives aim to equip our students with practical competencies essential for navigating the complexities of the modern world.

Our four houses and various clubs serve as platforms for friendly competition and camaraderie among students. Through a series of organized competitions and events, students have the chance to showcase their skills and talents, while also developing a healthy spirit of teamwork and sportsmanship.

Through experiential learning and skill-building activities, outdoor trips organised by the Yuva Tourism Club empowers students to become well-rounded individuals prepared for the challenges of the modern world. Exploring beyond borders, students journeyed to Amritsar and Jaipur, immersing in rich heritage and diverse cultures. Exploring the zoo's bustling habitats and Sultanpur Bird Sanctuary's Inquisitive minds witnessed the diversity of wildlife,

Furthermore, our commitment to fostering a competitive spirit and promoting sportsmanship is evident through our participation in Olympiads, inter-school, inter-house, and inter-class competitions. These events not only provide opportunities for our students to showcase their talents but also instil valuable lessons in teamwork, perseverance, and leadership.

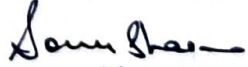

**"Take pride in how far you have come and have faith in how far you can go..
Celebrate what you accomplish and raise the bar each time you succeed"**

The investiture ceremony held this year was a solemn occasion where leaders were formally endowed with their positions of authority and responsibility. With resounding applause, we honour Shivam [Head Boy] and Haniya Tripathi [Head Girl], guiding stars in our journey of excellence.

In addition to academic and extracurricular achievements, Open Sky places great emphasis on community service and social responsibility. Our students actively engage in various initiatives aimed at making a positive impact beyond the school walls. Whether it's organizing Earth Day Rallies, distributing environmentally safe bags, celebrating International Yoga Day, participating in Swachchata hi Sewa - clean-up drives or organizing science exhibition our students consistently demonstrate a sense of empathy and compassion towards their fellow beings and the environment.

Like last year, we have organized a health check-up camp this year also to ensure students' physical health through thorough screenings and consultations with healthcare professionals.

Our school hosted a vibrant Mock Parliament, where students engaged in lively debates, honing their critical thinking and public speaking skills. Through this immersive experience, they gained a deeper understanding of democratic processes and civic engagement.

Filled with pride and joy, parents and faculty gleamed the event "Nature Quest" involving the Pre-primary kids. Students joyously explored, learned, and nurtured nature's secrets, fostering a bond with the environment

As champions of sustainability, we not only encourage our students towards green initiatives but also lead by example within our school. Through the expansion of solar panels and CNG buses, we inspire environmental stewardship and foster a culture of eco-consciousness among our school community

As a step towards embracing technology, we are planning to install Virtual Interactive Panels. This initiative underscores our commitment to providing cutting-edge resources and preparing students for the digital landscape of the future.

Enhancing our safety protocols, we upgraded fire systems and modernized CCTV technology. Conducting mock fire drills reinforced emergency readiness, ensuring a secure environment for all within our school community

Our school's triumph in the rigorous CBSE inspection extends our affiliation till 2030, marking a significant milestone in our journey towards providing unparalleled education and nurturing the leaders of tomorrow

Regular professional training of teachers highlights our dedication to teachers' ongoing development, ensuring they're well-prepared to offer top-notch education and support to our students. Through investing in their growth, we guarantee our educators deliver high-quality instruction, fostering student success.

Looking ahead, we remain committed to excellence and innovation in education. As we navigate the challenges and opportunities of the coming year, let us continue to inspire, empower, and nurture the leaders of tomorrow. Together, let us build on our achievements and strive for even greater heights of success and excellence.

Let us continue our journey of growth, achievement, and transformation, with renewed zeal and determination.

Thank You
