Circular No.OS/11/26-27

Dear Parents,

Greetings from the School!

Please find the attached CBSE notification regarding free online courses offered by NIELIT Digital University (NDU) for students of Classes VIII to XII. These courses cover emerging technologies such as Artificial Intelligence (AI), Python, Cybersecurity, Cloud Computing, Internet of Things (IoT), and more.

We encourage interested students to explore these courses and enroll to enhance their digital skills and technological knowledge.

Kindly go through the attached circular for complete details.

Regards,

Team Open Sky
