

Open Sky School

Circular no:OS/24/25-26

Date:17/09/25

Dear Parents,

We are delighted to inform you that our school, in collaboration with Starscapes Experience Pvt. Ltd., is organizing an Air Rocketry Workshop during school hours for students of Grades 3 to 8.

This exciting hands-on workshop is designed to spark curiosity and introduce students to the fascinating world of space science and rocketry.

Workshop Highlights:

- Learn the science behind rocketry including force, motion, pressure, and aerodynamics.
- Build and launch their own working rocket (not stomp rockets) using advanced air launchers.
- Safe, engaging, and full of STEM learning and fun.
- Guided by experts with all materials and kits provided.

Date & Venue:

Within school hours (exact date will be informed soon).

Workshop Fee:

₹ 200/-per student (inclusive of kit, printed material, training, and GST).

We request you to kindly fill in the Consent Form below and send it along with the fee by 22.09.25.

Looking forward to your enthusiastic participation in making this a joyful and enriching experience for our students!

Warm regards,

Team Open Sky

.....Consent Form.....
