Opportunity for Curious Minds! ☀️

Dear Students,

We are excited to share Anastomosis, a prestigious collaborative programme by IIT Delhi & AIIMS, designed to inspire young minds interested in science, innovation, and healthcare.

This programme offers a unique chance to:

1. Learn from India's top institutes
2. Explore the connection between engineering, medicine, and research
3. Interact with experts and like-minded students

We strongly encourage interested students to explore this opportunity and participate.

🔗 For details kindly check the link

After registration kindly inform your class teacher.

Don't miss this chance to expand your knowledge and experience learning beyond the classroom!

Warm regards

Team Open Sky
