

Subject: Invitation to Srijan Haat – Kaushal Mela

Dear Parents

Greetings from Open Sky School!

We are delighted to invite you to **Srijan Haat – Kaushal Mela**, a vibrant celebration of creativity, skills, innovation and entrepreneurship.

In alignment with the CBSE Kaushal Bodh curriculum, our students engage in hands-on, project-based learning that nurtures practical skills, creativity, teamwork and entrepreneurial thinking.

To bring this vision to life, our school is organising *Srijan Haat*, where students will showcase a variety of innovative, handmade products for sale. The mela will also feature exciting games, fun-filled activities and a variety of food stalls, offering something enjoyable for everyone.

Adding to the excitement, a **special lucky draw will be organised exclusively for parents purchasing the Premium Pack (₹500).**
