

A School Committed the Excellence

A Unit of SDAV Society

Affiliated to CBSE (Affiliation no. 531718)

Annual Report 2025–26

The academic session 2025–26 has been a landmark year in our journey of excellence. Our students delivered an exceptional performance in the CBSE Board Examinations, achieving a remarkable 100% pass result. Adding to this accomplishment, 50% of our students secured above 90% marks, reflecting their dedication, perseverance, and the relentless efforts of our teachers and the continued support of parents. Subject-wise achievements were equally commendable, with 32 students excelling in English, 25 in Hindi, 18 in Mathematics, 17 in Science, 22 in Social Science, and 35 in Information Technology. These outstanding results reaffirm our commitment to academic rigor and holistic learning.

This year also brought a moment of great pride and celebration for the entire Open Sky family, as the school received recognition for the Senior Secondary level. This significant achievement marks a new chapter in our journey, enabling us to expand our academic horizons and provide higher learning opportunities within our own institution. It stands as a testament to our continuous efforts towards growth, quality education, and institutional excellence.

The Annual Day celebration, themed “Chakravayuh,” was a spectacular showcase of our students’ talent, creativity, and confidence. The event beautifully reflected life’s challenges and inspired students to face them with courage and determination. On this special occasion, awards were presented to meritorious students, Sports achievers, Pole Star students with 100% attendance, Olympiad performers, and CBSE Class 10 toppers. The House Trophy for the year was also awarded, adding to the spirit of achievement and celebration.

At Open Sky, education extends beyond textbooks, and we strongly believe in equipping students with skills that prepare them for real-world challenges. Co-curricular activities remain an integral part of school life at Open Sky. Our four houses and various clubs such as Financial Literacy, Yuva Tourism, TT & Chess, Dance, Yoga and Coding provide vibrant platforms for students to explore their talents, foster creativity, and build leadership qualities. Participation in Olympiads, inter-school, inter-house, and inter-class competitions has nurtured a spirit of healthy competition, teamwork, and sportsmanship among students.

Our integrated skill education programme, along with the introduction of *Kaushal Bodh* in alignment with NEP 2020, plays a vital role in shaping well-rounded individuals. *Kaushal Bodh* strengthens the approach by offering early exposure to the world of work through project-based and experiential learning, enabling students to develop essential life skills, creativity, and problem-solving abilities.

As rightly said, “In a world where knowledge is abundant, it is your skills that set you apart,” and we strive to instill this philosophy in every learner.

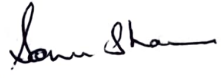

The Investiture Ceremony this year was a proud and solemn occasion, marking the appointment of our student leaders who exemplify dedication and responsibility. We extend our heartfelt congratulations to Aaradhya Bhola, our Head Girl, and Gaurav Kumar, our Head Boy, who have led by example and inspired their peers throughout the year.

Experiential learning continues to be a cornerstone of our educational approach. Educational trips organized by the Yuva Tourism Club provided students with enriching experiences beyond the classroom, allowing them to connect with nature, heritage, and diverse cultures, thereby broadening their perspectives and enhancing their understanding of the world around them.

We also take immense pride in instilling strong values of social responsibility and community service among our students. Through active participation in initiatives such as Earth Day celebrations, International Yoga Day, Swachhta Hi Sewa drives, Nature Quest activities, SEWA projects, and science exhibitions, students have consistently demonstrated empathy, environmental awareness, and a sense of civic duty.

The achievements of this academic session stand as a testament to the collective efforts of our students, teachers, and parents. With the milestone of Senior Secondary recognition and continued excellence in academics, skill education, and co-curricular domains, Open Sky School remains steadfast in its mission to nurture confident, capable, and compassionate individuals who are prepared to face the challenges of the future and contribute meaningfully to society.
