

Open Sky School

Circular no-OS/14/25-26

Date-05.07.25

Dear Parents,

We are pleased to introduce a special Reading Period initiative – DEAR (Drop Everything and Read) for our students of Classes III to IX, starting Monday, 07th July 2025 till 18th July 2025.

This initiative aims to encourage independent reading habits among our young learners and foster a lifelong love for books.

Key Guidelines:

- Students are requested to bring their own reading material – such as storybooks, magazines, or newspapers.
- Alternatively, they may also issue books from the school library.
- A dedicated reading period will be observed daily, during which students will “drop everything and read” in a quiet and focused manner.

We seek your cooperation in ensuring your child comes prepared with appropriate reading material. Let's work together to build a generation of joyful readers!

Warm regards,

Team Open Sky
